Eurotunnel Shareholder Records

Please [click here](#) for access to Eurotunnel’s website details of Shareholder Contacts. Although this is aimed at GET SA shareholders, the same contacts deal with TNU PLC & TNU SA ‘stapled’ Units (formerly Eurotunnel PLC & Eurotunnel SA ‘stapled’ Units). It should be noted that the Shareholder Relations Centre deals with routine matters such as shareholder cards and their numbers required for booking concessionary travel; UK share registration matters are dealt with by Computershare, and French registered shares or bearer units are dealt with by BNP Paribas.
