

ETAG

Not receiving ETAG's email circulars?

There are three principal reasons:

1. Not a paid up member of ETAG

In recent times circulars have been restricted to members who have contributed towards our funds; there are about 1250 members who have contributed about £150, of which nearly half still remains in the kitty. Should you wish to have our email circular updates, please download a Contribution Form for completion and return with the appropriate remittance by [clicking here](#).

2. Changed your email address

If you need to advise ETAG of a change, please email us from your new email address, advising us of your old email as well as your new one, and for cross checking also give us your name, address and telephone number, by [clicking here](#).

3. Email circulars being deleted by spam filters

This has become a big problem recently; first, make sure that ETAG's email address, ETAG@grand-uk.com, is in your address book; if this is in place and you are still not receiving ETAG's email circulars check that any special spam filters installed on your computer allow emails from ETAG; third, if both these have checks have failed to rectify the problem contact your email host.

We sent a letter by first class post on 21st June 2010 to all Members where our email circular of 20th June had 'hard bounced', ie was returned undelivered; if you did not receive this letter, your 20th June email circular had reached and been accepted by your email host.
