Dear ETAG member,

Le Shuttle Club

You are advised not to sign the Registration Form – please see the message overleaf emailed to members yesterday, and also our website **www.ETAG.uk.com**

We do not have a current email address for you – can you please send us an email to **ETAG@grand-uk.com** from a computer where you are able to receive emails, together with your name, address and telephone number, so we can update our records.

Although the return of the Registration Form is requested by 15th July, this is an artificial date; your travel rights will continue for this year in any event, but if the issues regarding Le Shuttle Club are not satisfactorily settled by October, ETAG will be taking further steps to protect your rights.

Please keep an eye on the website for further information. Those for whom we have an email address will receive alerts for each new posting.

Le Shuttle Club

Rules adopted on 11 June 2010

by the board of directors of The Channel Tunnel Group Ltd (CTG)

ETAG Advice:

DO NOT SIGN

the Registration Form

By doing so you are surrendering your existing travel rights

In our opinion the present documentation does not adequately protect your long term interest in your travel rights.

The Registration Form is a contract which becomes effective when signed for on delivery to Eurotunnel; however, the club rules as adopted on 11th June 2010 do not appear to be backed up by a legal obligation on the part of CTG to honour them.

Background

The formation of a Club has been under discussion for about two years, lately in some detail. However, the Rules as presented have been dispatched without our agreement, and in our view do not adequately cover certain crucial areas, not least of which is the level of the Annual Registration Fee.
