*Your event, your way*

Situated just 40 minutes outside of London by High Speed Link, The Grand is a magnificent building in a superb location, overlooking the English Channel.

The property, itself, was built in the days when an intimate atmosphere and natural acoustics were de rigueur, and quality was the norm.

The Grand's modern facilities have been carefully selected so as to not detract from her period charm.

Whether it is a Small Meeting, Birthday Party, Wedding or an Exhibition numbering in the thousands, The Grand's sizeable premises, experienced staff and superb accommodation will provide the perfect environment for any event in an unrivalled setting.

The Grand. Let us take care of everything.
