# Grand show was the height of fashion

**Fashion:** The show was organised by Folkestone Conservatives

A FASHION show organised by the womens' committee of Folkestone and Hythe Conservatives was held at the Grand last week.

The evening included displays of more than 90 outfits from Encore

Dress Agency in Sandgate High Street, Vestiti Boutique and Pixie, both of Hythe High Street.

The show also included display tables from eight other local fashion and jewellery shops and health and

beauty centres.

More than 130 people attended the event, including Folkestone and Hythe MP Damian Collins and his wife Sarah.

Mrs Collins congratulated organ-

iser Vivien Holborow and her team of helpers. She said: "This was an immense success, especially as it was so well attended.

"We all look forward to something similar next year."
