# OLDTIMER RALLY 2014

**Bank Holiday Mon 25 August**

Just three weeks ago today was the centenary of the outbreak of the Great War, when Prince Harry inaugurated the Step Short commemorative arch at the other end of The Leas. As a result of a warm wet summer the television images beamed around the world showed off the area in lush green hues with a backdrop of an azure sea - but then you already know what a wonderful area it is.

However, for the first time in Michael's 40 years here it looks as though our rally day may be rather wet, so the facilities of The Grand could well be put to the test. However, it is at least expected to be warm.

There are more vehicles than ever booked in, and more clubs are represented as you can see from the lists below. Jaguars are unusually well represented; the Alfa Romeo Owners Club is here for the first time, and there is a new home grown club, the Postling Classic Car Club, Postling being a hamlet just to the west of Hythe.

And there are some curious vehicles booked in - at C18 is a quarter size replica steam lorry, at F80 is a reproduction 1920s style wedding landau, at F120 a half size replica Morgan sports car and at G3 an original BSA 3 wheeler 'Super Rocket' from over 50 years ago. And a super supercar - at at F94 an open Aston Martin fresh from the factory!

As before, do sign up on the website for future information if you have not already done so - [www.oldtimer.uk.com](http://www.oldtimer.uk.com), or Google Oldtimer Folkestone - or leave a stamped self addressed envelope with the secretary if you are not internet connected; this will include other rallies here, such as for the airshow which also took place this year.
