With yet more entrants again this year, we've refined the site plan, so that the lanes are numbered sequentially from east to west along The Leas Promenade. We've also made the car way in at the western end, so that entrants can more readily find their places. Do have a look at the plan on the centre pages.

Daniel Guerin (entry C19) has again brought a French contingent with him, with some splendid old French cars, which are to be found in Lane 11 directly opposite The Grand's Palm Court, and this year we also have several Rolls-Royce Enthusiasts' Club members.

Folkestone's new mayor, Cllr Sue Wallace, will present the prizes, which together with the plaques have again been generously sponsored by Folkestone Town Council, and we're pleased to see that our local district council, Shepway, has made a special effort to tidy up our part of The Leas for the occasion.
