

'TALES OF TIME AND SPACE'

FOLKESTONE TRIENNIAL to 14 September

Sculpture, photography, film, installations, sound work and performances inspired by Folkestone's past, present and future.

The most refreshing show of public art I think I have ever seen. I can't recommend it enough.
Financial Times 19.6.08

..... what Andrea Schlieker, its curator, has put together is inspired (by teatime, I was in love).
The Observer 15.6.08

Arguably Folkestone offers the best-value day out of London this summer. Evening Standard 18.6.08
