teapigs.

Cup of Tea, a phrase as British as Big Ben and jellied eels.

The Grand has teamed up with the **Teapigs** company to bring the “**Campaign for Real Tea**” to Folkestone

Teapigs want you to start drinking **real tea** again. The founders of this superb British company have travelled the world sourcing the best quality real tea leaves, whole berries and flowers all held in a material Tea Temple (that’s a Tea bag to you and me).

Teapigs is fresh, real tea, served at the table for you. Visit our display in The Tudor Bar to see more.
